Jayesh Ranjan IAS
Principal Secretary to Government

Information Technology, Electronics &
Communications Department
Government of Telangana

MESSAGE

We are glad to know that Kenes Exhibitions is organizing Cyber Security Conference on Dec 14-15, 2017 at HICC Novotel, Hyderabad. We are happy for the initiative taken by Kenes Exhibitions for organizing this conference and extend our support.

Hyderabad, listed among the global centers of information technology, is also referred to as Cyberabad (Cyber City) by those in the information technology field.

The conference program, designed for leaders in the forefront of Information Security, Data Security and IT Infrastructure, will showcase companies in the field.

We are quite confident that this conference will bring much wider and comprehensive knowledge on Cyber security systems and truly hope industry colleagues will take advantage of this conference and will register to attend.
