Advocate Pankaj B.Bafna is a Law Graduate from Government Law College , and is a Litigant Lawyer having experience for more than 20years and has specialized in Cyber Crime and have reputed and established specialized practice in this filed.

Adv. Pankaj B. Bafna is one of the Cyber Expertise who is deeply handling Cyber Crime cases in India and has formed his own Law Firm known as “ **Bafna Law Associates**” and has his own team of Lawyers as Associates in different fields of Law. Adv Prashant Jhala (Cyber Lawyer) is an Associate of the above mentioned firm.

A substantial part of our practice consists of Litigation and Advising with respect to Cyber Crimes, Information Technology Law compliance and drafting the Privacy Policies, Terms & Conditions, etc. of E-Commerce Companies, and we are retainers with a diverse variety of Companies and MNCs. We also have a thriving practice in the Online Gaming industry, Block chain Legal Compliance, IoT and AI Laws and Data Protection, Privacy & EU GDPR Legal Compliance.

Our Cyber Crime litigation practice is well-established in India and we represent major Companies in Cyber Crime complaints filed against them or by them and regularly assist them in dealing with phishing scams.

We have vast experience in formulation and drafting of Cyber Disaster Management, Enterprise Cyber Risk Management, Information Security Policies and Bring Your Own Device Policies for Companies. Most Nationalised Banks, Multi-National Corporations and Companies are our clients for Cyber Crime cases along with Information Technology Law Audits, GDPR Compliance Audits and Cyber Security Audits.

Our Founder Advocate Pankaj B.Bafna (Bcom.LL..B.) is an Advisor to the Mumbai Police on Investigation of Internet Laws and Technology Laws in India and conducting Trial . He is in the practice of Litigation and handling various cases related to Cyber Crime and

Computer Offences and he is also a Member of various Councils and Bar Associations in India as well as Europe. He focuses on Skills and Policy Development for the Digital India Movement.

He has authored many articles on various aspects of Cyber Laws and has been a Panelist and Speaker for many Information Technology Law related Events and National Seminars. He forms a part of advisory committee to Mumbai Police. He is an alumni of Government Law College (Mumbai) and completed his B.L.S.LL.B. from there. He did his Cyber Law Diploma from Asian School of Cyber Laws in association with Government Law College and Diploma in Computer Forensics from St.Xaviers College, Mumbai. He is also, a DSCI Certified Privacy Professional (DCPP). He additionally holds a P.G. in Cyber Laws and is a Certified Cyber Crime Investigator. He is also Certified in Ethical Hacking and Cyber Security.

We have trained more than 1000 people in the field of Cyber Security and delivered around 1500 seminars and lectures related to Cyber Crime and its effects to various students and Institutions all across India. Even Mumbai Police has been benefitted by our training related to Cyber Crime and its investigations and conduct of Trial to get criminals convicted.

Adv.Pankaj Bafna is also associated with various NGO's and Trade Associations b

eg. Lions Clubs International, People for Animals, FICCI, Indian Merchants Chamber, Indo American Society, Gems and Jewelry Export Promotion Council, and many others.
