President and CEO

Dr. Anat Cohen-Dayag has over 25 years of experience in the biotech industry, both in R&D and executive leadership roles. Anat joined Compugen in 2002, and has held various senior managerial positions, including VP R&D, before being appointed President and CEO in 2010. Under her leadership, Compugen transformed from a service provider in the field of computational biology to a therapeutic discovery and development company advancing an innovative immuno-oncology pipeline originating from the company's computational discovery platforms. Anat joined Compugen's Board of Directors in 2014. Prior to Compugen, Anat was the Head of R&D and was a member of the executive management team of Mindsense Biosystems Ltd. Anat holds a B.Sc. in Biology from Ben-Gurion University, and an M.Sc. in Chemical Immunology and a Ph.D. in Cellular Biology, both from the Weizmann Institute of Science.
