

Dr. Dana Rabinovich, Co-founder and CEO of OphtiMed_{Rx}

I am a scientist, entrepreneur, and MedTech executive with over a decade of experience in R&D management and business development. I have led cross-disciplinary R&D programs, focusing on small molecules, biologics, and diagnostics. My expertise includes strategic planning, fundraising, and thriving in high-stakes environments. Since its founding, I've been the CEO and Co-founder of OphtiMed_{Rx}, where I lead global projects, build strong partnerships, and deliver innovative solutions. With a blend of scientific and business proficiency, I bridge the gap between research and commercialization to drive impactful change in the biotech sector.
