

**Jonathan Solomon, CEO**

Prior to his role in BiomX, Mr. Solomon was a co-founder, president, and CEO of ProClara (formerly NeuroPhage), which is pioneering an approach to treating neurodegenerative diseases. Under his leadership, the company raised more than \$100 million and launched an ongoing clinical trial related to Alzheimer's disease. Prior to that, he was selected to participate in the elite Israeli Defense Forces 'Talpiot' program, graduated as class valedictorian, and served for 10 years in a classified military unit. Mr. Solomon holds B.Sc. magna cum laude in Physics and Mathematics from the Hebrew University, an M.Sc. summa cum laude in Electrical Engineering from Tel Aviv University, and an M.B.A. with honors from the Harvard Business School.
