

## **Valerio Nanninni**

### **General Manager**

As a driver of innovation, Valerio regularly engages with academia, accelerators, VCs and start-ups, as well as with major strategic partnerships and alliances, to accelerate corporate growth. With an exhaustive understanding of digital technology and its commercial applications, an extensive network, and a proven track record in fostering a culture of game-changing business transformation, Valerio today heads up the Advanced Protein Solutions at Novozymes, a world leader in biological solutions.
