

Chen Schor

President and CEO, Adicet Bio

Chen Schor is President and CEO of Adicet Bio, a leader in the field of gamma-delta CAR T cell therapies for the treatment of cancer. With more than 25 years of global biopharmaceutical leadership experience, he has led several biotech companies across all stages, from formation, to early-stage discovery, to publicly traded multi-product companies with significant industry partnerships.

Mr. Schor has led strategic transactions valued at over \$8 billion with companies such as GSK, Amgen, Pfizer, Merck KGaA and equity financing totaling more than \$500 million. He led the turnaround of Synta Pharmaceuticals and its reverse merger with Madrigal Pharmaceuticals (Nasdaq: MDGL), served as Vice President, Global Branded Business Development and Pipeline Management at Teva Pharmaceuticals and in leadership positions at several emerging private and public companies. Mr. Schor was a Partner at Yozma Venture Capital where he led the foundation and growth of multiple therapeutic companies from inception to significant commercial success and exit.

He is a board member with the Alliance for Cancer Gene Therapy, a non-for-profit organization committed to advancing new cancer cell and gene therapies, Chairman of the Board of Carbon Biosciences, a gene therapy company, and board member with Karyopharm Therapeutics, a commercial stage oncology company.

Mr. Schor holds a MBA, a B.A. in Biology, a B.A. in Economics and is a Certified Public Accountant (CPA).
