

Ms. Ruti Alon is the Founder and CEO of Medstrada. A highly experienced investor, bringing over 40 years of executive and entrepreneurial experience. Integrating different fields of knowledge for unique value creation, business objectives definition, as well as team building and leadership for successful target achievement. From 1997 until 2016, Ms. Alon has served as a General Partner in Pitango Venture Capital, where she headed the Life Sciences activities and has led several of its portfolio companies to successful acquisitions, among them Disc-O-Tech, Colbar, Ventor and Optonol. Ms. Alon previously worked on Wall Street where she held senior positions with Montgomery Securities and Kidder Peabody & Co., as a senior medical device analyst. She also managed her own independent consulting business in San Francisco, providing broad-based services to early-stage companies and venture capitalists in the medical devices industry. Ms. Alon is the force behind the establishment in 2005 of ILSI, Israel Life Science Industry, a not-for-profit organization representing the mutual goals of the then approximately 1200 Israeli life science companies. She is the Co-founder of IATI, an umbrella organization established in 2012, representing Israel's High Tech and Life Sciences industries. She currently serves on the boards of Public companies: Alpha Tau, (Nasdaq:DRTS), VBL Therapeutics (Nasdaq:VBLT), Moringa Acquisition Corp (NASDAQ:MACA); and Private companies: Treos Bio, Phoska BioPharma, Blue Tree Technologies, and Brainsgate. Ms. Alon has a B.A. in Economics from the Hebrew University of Jerusalem, an M.B.A. from Boston University, and an M.S. from the Columbia University School of Physicians and Surgeons
