Dr. Moshe Bareket Capital Markets & Insurance Advisory Former Director General, CMISA

Bio

Dr. Bareket (PhD, Columbia University) was until October 2022 the **Director General of the Israeli Capital Market Insurance & Savings Authority** (CMISA). Prior to heading CMISA, he has been a *Special Advisor to Jefferies International*, a board member and **Chairman of the Audit Committee at Carraso Motors**, and a management consultant to Israeli and international entities, including numerous Israeli startup firms.

During 2011-2014 he was *Chairman of the Board of Phoenix Holding Company* and *Phoenix Insurance LTD*. He has also been a financial advisor to *Mr. Isaac Tshuva*, a board member at **Delek Group**, **Delek Energy and Elad Europe**, and the *Chief Finance and Strategy Officer of the Tshuva Group*. From 2006-2010, Dr. Bareket was the *Director of the Corporation Finance Division* at the *Israeli Securities Authority* (ISA) and also served as the ISA's *Chief Accountant*.

Earlier in his career, Dr. Bareket was a *professor at Duke University* for five years, and held various management consulting roles, including a long engagement with *General Electric* and other US firms. His regulatory and banking experience also spans eight years of service at the *Supervisor of Banks Department at the Central Bank of Israel*.

Dr. Bareket received a *PhD in Accounting* and a Masters degree from the **Graduate School of Business** at *Columbia University*, and received an *MBA* (with honors) and a *BA in Operations Research and Accounting* from *Tel Aviv University*.

Dr. Bareket is a *CPA* (Israel) and a **Senior Lecturer** in academia (Tel Aviv University and previously Netanya Academic College). He published academic, professional and numerous other articles on firm valuation, accounting and business, and he is the co-author of the book *"Aspects in Dividend Distributions in Light of a New Corporate Law"*. He is also an international expert writer and lecturer on ESG and Sustainable Investment by Institutional Investors and other financial entities.
