

Biography

Dr. Naveh earned his bachelor degrees in physics and materials engineering from Ben-Gurion University in 2001 as well as his MSc degree in physics in 2003. He graduated his PhD from Weizmann Institute of Science in 2008 and then had a first post-doctoral position at Princeton University in 2008-2009 and a second one in Carnegie Mellon University in 2009-2012. In 2012 he received a position of senior lecturer at the Faculty of Engineering of Bar-Ilan University, where he established a laboratory for nano-electronic devices based on 2D layered materials.
