

Bethany Hills

Partner at Epstein Becker & Green, P.C

Ms. Hills is a Partner with Epstein, Becker & Green; a U.S law firm founded to serve the health care industry and has been at the forefront of health care legal developments since 1973. Her practice focuses on counseling life science, medical device, and health care provider businesses on a broad range of reimbursement, regulatory, and compliance matters. She advises FDA-regulated businesses on domestic and foreign regulatory compliance, including import and export issues, pre-enforcement investigations and inspections, regulatory submissions for product approvals, collaborative agreements for research, reimbursement issues, supply and distribution, product labeling, and structuring financing arrangements. She guides clients through the intersection of multiple regulatory agencies, navigating the complex laws that govern referral relationships, privacy and security, government and third-party reimbursement, clinical trial compliance, and professional and entity licensure in the evolving U.S. health care delivery system. Epstein, Becker & Green is counsel to the mHealth Regulatory Coalition, a group of medical device manufacturers and medical app developers seeking to improve the worldwide regulatory environment for mHealth.
